REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest the combination of the claimed system for perforating a web as amended and supported by the reasons provided in the remarks of the amendment filed on 02/28/2005.

As to claim 12, the prior art of record fails to disclose the combination of the claimed system for perforating a web comprising at least three lasers mounted in an array across the web from a first edge to a second edge, wherein the lasers provide light beams upon the web at an angle that deviates from the cross direction and results in a severed portion that is oriented in the cross direction, in the claim environment (Fig. 1).

As to claim 29, the prior art of record fails to disclose the combination of the claimed system for perforating a web comprising at least three lasers mounted upon a frame, wherein the lasers provide light beams upon the web at an angle that deviates from the cross direction, but results in a severed portion that is oriented in the cross direction, in the claim environment (Fig. 1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
